

Looking at Learning in: _____

name

The skill I am learning: _____

date

My choice of evidence: _____

grade

How are you doing?

Budding

I am ready to learn!
I am connecting to what I already know. I work best when I work side-by-side with a guide.

one on one
adult support

Emerging

I am starting to understand what we are learning to do and know. I work best with some help.

ongoing
adult support

Developing

I am figuring out what we are learning to do and know. I have lots of ideas and information. My skill is getting there. I can do more on my own

growing
independence

Applying

I understand what we are learning about. I can explain it to others. I can apply my knowledge and skills to new challenges successfully.

consistently
independent

Extending

I have a deep understanding of what we're learning to do and know. I can apply my learning in unique and complicated ways.

independent and
self-directed

How do you know?

Where to next?
