

Looking at Learning in: Subject or Topic of Study _____

name

The skill I am learning: What exactly are you learning how to do? _____

date

My choice of evidence: What can we look at that shows your progress the best? _____

grade

How are you doing?

Look at the what you are learning about, think of the criteria, your evidence, your experience and your growth so far to answer:

How much do you know and understand about this?

How much can you do on your own?

What kind of support do you need?

How do you know?

Share examples that show you are at this stage.

Share about your growth and process so far.

"because"
